

Florian Touraine — Engineering Student in AI and Cybersecurity

766 rue Georges Vanier, Chicoutimi, Canada

☎ +1 (581) 668-8756 • ✉ Florian.touraine@cegetel.net • in florian-touraine

Currently pursuing a dual degree in Canada, I am **seeking a 4 to 6-month internship** to apply my skills in Deep Learning and Machine Learning or Quantum Computing within an innovative team.

Professional Experience

2nd Place - Gen-AI Hackathon

Paris

Nokia Topic

March 18, 2026 – March 27, 2026

- Research on CSI prediction using generative AI in telecommunications
- Presentation of the project to Cisco and publication of an article on the challenges and our solutions

OnePoint

Paris

IT Intern - Network Management

June 2025 – August 2025

- Design and deployment of a monitoring tool for Wi-Fi and wired networks
- Network infrastructure maintenance within the IT Services Department

Télécom Nancy

Nancy, France

Travel Club President and Student Union Vice-President

2024 – 2025

- Full management of a ski trip for 50 participants: budget, transportation, and logistics
- Supervision of student life, budget management, and various school events

Acadomia

Paris / Nancy, France / Chicoutimi, QC

Private Mathematics Tutor

2023 – 2025

- Preparation for the Baccalaureate using mock exams designed in LaTeX
- Homework assistance and tutoring in Mathematics and Physics

Lycée Fénelon

Paris

Research Project (TIPE)

2022 – 2023

- Theoretical study on mobile network routing and the concept of Multi-commodity flow
- Implementation of a resolution algorithm in Python

Education

UQAC

Chicoutimi, QC

Master's in Computer Science (Dual Degree)

2024 – 2026

Specialization in Artificial Intelligence

Télécom Nancy

Nancy, France

Engineering Degree

2023 – 2026

Specialization in Cybersecurity

Lycée Fénelon

Paris

CPGE (Preparatory Classes) - MP

2021 – 2023

Mathematics and Physics (Mines-Centrale competitive exams)

Skills

Languages: Python, SQL, Java, C, Ocaml, Bash, React, Pytorch

Expertise: Cybersecurity and Networking, Artificial Intelligence, Project Management (Centrale certification)

Tools: Linux (Advanced commands), LaTeX, Git

Scientific: Quantum Computing fundamentals, Advanced Mathematics

Languages: English (B2), Spanish (B1), French (Native)

License: Driver's License

Interests: Scouting (team management), Judo (brown belt), Tennis, Photography
